**Note:** The above will be deducted biweekly through payroll deduction. Your tickets will be sent to your email after each successful payroll deduction. The draws will be made by a random number generator on Fridays at 1:00 p.m. following each payday. All payments will be made by cheque after identification and ticket verification.

50% of the total sales from each biweekly draw will be awarded to the winner of each draw. You will have until 4:00 p.m. on the Thursday of the week before each payday to submit your lottery enrollment form. Completing this form means that you sign up to play in the lottery, on a biweekly basis, as long as you receive a pay. If you do not receive a pay, no deduction will be made and you will not be eligible to participate for that week's draw. When your pay resumes, deductions will automatically start again and you will participate in the following draws.

If you wish to cancel your enrollment, or make any changes to your ticket purchases, you need to inform the HGH Foundation in writing, at [foundation@hgh.ca](mailto:foundation@hgh.ca), **before 4:00 p.m. on the Thursday of the week before each payday.**
