Together, We Did It!

There's No Place Like Home campaign reaches its goal, thanks to YOU

There's No Place Like Home: A Heartfelt Thank You to Our Donors

This past March, we marked the close of a remarkable chapter —*There's No Place Like Home*, a campaign that has touched lives, built hope, and strengthened our community in ways we never imagined.

And it's all thanks to the generosity of donors like YOU.

Launched with the vision of bringing essential care to our community, *There's No Place Like Home* was more than just a \$2.9M fundraising initiative. It was a movement rooted in compassion, driven by community, and powered by the belief that everyone deserves to receive the care they need, closer to home, especially when facing health challenges.

Your gifts helped acquire new equipment, fund vital programs, and bring comfort to those who needed it most. From state-of-the-art tools that support early diagnosis to colouring kits that brought smiles to young patients, every improvement was made possible by your kindness. You didn't just give money—you gave hope, warmth, and peace of mind.

As we bring this campaign to a close, we do so with full hearts and deep gratitude. Your support has left a lasting legacy that will continue to benefit patients and families for years to come.

To every donor, volunteer, and supporter who believed in this vision: thank you. You've shown us that home isn't just a place—it's a feeling we create together. And while *There's No Place Like Home* may have come to an end, the spirit of giving lives on in every life you touch.

Looking Ahead: Creating the Next Chapter

While a chapter ends, the story of care at HGH continues. Every day brings new challenges, patients, and opportunities to make a difference. With your continued support, we can keep building a healthier future, together.

Guided by the hospital's new strategic plan, the HGH Foundation is setting bold goals, with a shared commitment to advancing care for our community.

While we plan for the future, we're also addressing urgent needs. We're raising funds for much-needed equipment at HGH, like this CPR machine - a life-saving device that delivers consistent, high-quality chest compressions, minimizes interruptions during CPR, and improves patient outcomes during critical moments.

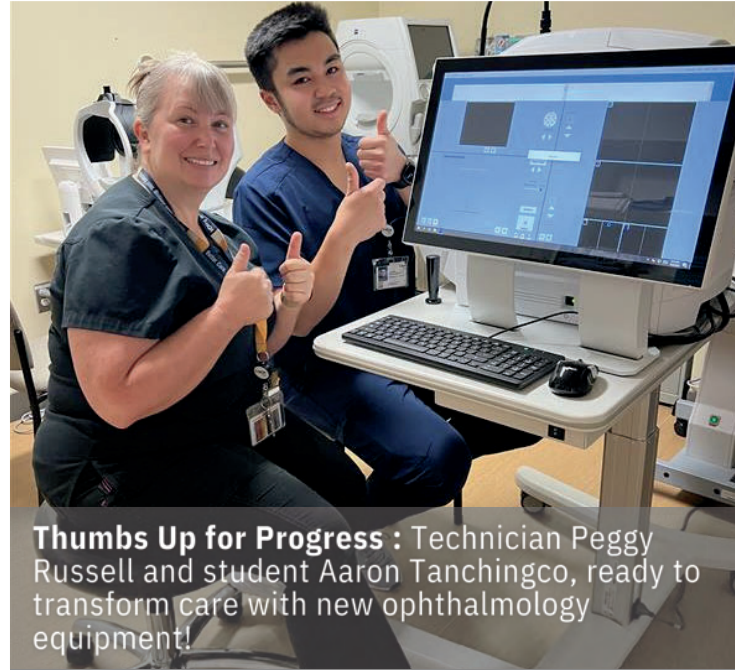

Other regional hospitals already use this technology. With your support, HGH can too. Please donate today to support initiatives like this one...to make tomorrow better.

The real impact of your big-heartedness: HGH Foundation Impact Report

Thanks to YOUR generous donations, the HGH Foundation contributed \$1,157,728 to the following important initiatives for our hospital this year:

- **\$281,000** toward the purchase of ophthalmology equipment to provide additional diagnosis and treatment of eye conditions for patients at HGH.
- **\$300,000** to purchase lithotripsy equipment for the treatment of kidney stones at HGH.
- **\$194,143** in funding for specific HGH departments. This helped expand the chemotherapy department, provide 4 CADD pumps for palliative care, and purchase instruments and equipment for general surgery.
- **\$29,097** in funding for physician and staff wellness initiatives including the new Recharge Cabin with heated massage, light therapy and relaxation programs.
- **\$28,488** in funding toward several patient care initiatives including new personalized colouring kits for children who visit the Emergency Department.
- **\$175,000** toward the purchase of a Jackson Spine Table for HGH's new spine surgery program.
- **\$150,000** for a new C-ARM to be used in urology and orthopedic surgery procedures.

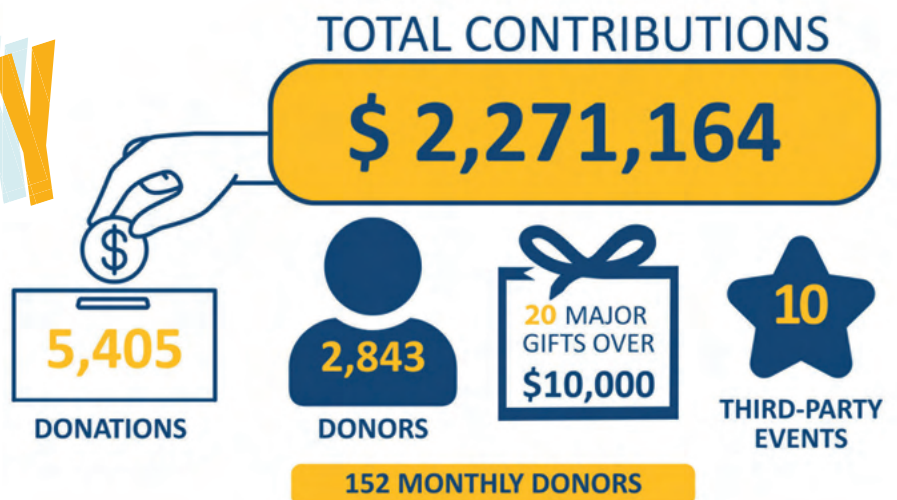

Thumbs Up for Progress : Technician Peggy Russell and student Aaron Tanchingco, ready to transform care with new ophthalmology equipment!

And that's
all because
of **YOU**

GENEROSITY

Making a lasting impact, differently

Did you know there are many ways to support the HGH Foundation long-term?

Planned giving is a thoughtful and strategic way to show your commitment to our Foundation and HGH, while also considering your personal, family, and financial situation. These types of gifts help ensure the future of quality healthcare at HGH - a beautiful way of caring for your community and loved ones. Here are three types of planned gifts you may wish to consider:

Gift of publicly traded securities -

Donating publicly traded stocks or mutual funds can be one of the most tax-efficient ways to give. You can avoid capital gains tax while supporting a cause that matters to you.

Gift in your will -

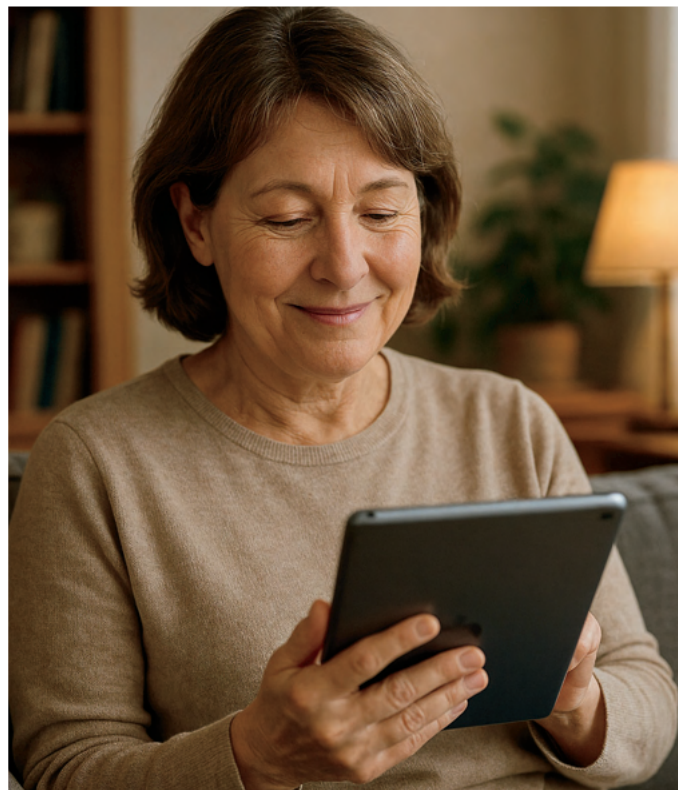

Including the HGH Foundation in your will is a simple yet powerful way to make a lasting difference. You can designate a specific amount, a percentage of your estate, or a residual gift after other needs are met.

Gift of a life insurance policy -

By naming the HGH Foundation as the beneficiary of a life insurance policy, you can make a meaningful contribution without affecting your current finances. This simple gesture can be arranged through a form provided by your insurer.

If you're considering a gift or have questions about how to make a lasting impact, we'd love to hear from you.

Please contact Erin Tabakman, Executive Director of the HGH Foundation, at 613-306-0799 or etabakman@hgh.ca

Your planned gift will help HGH provide better care today - and for generations to come.

Every contribution, big or small, makes a difference. Please support the HGH Foundation by returning this form with your tax deductible gift in the enclosed postage paid envelope. **Your gift will be used to fund our entire mission.**
